Have you ever wondered what happens in the old Livingston High School after the Pink Elephant Antique Mall closes? Now is your chance to get a peek! The school ran normally for 75 years, but what caused it to close? Are there teachers and students still roaming the halls? Are there spirits attached to the antiques in the mall displaced from their home? Is that the smell of the Twistee Treat Diner, or something more sinister? Maybe something 'otherworldly' is at play...

Join us to find out for yourself!
